

Eastern Hokkaido 5 Days

Come and explore the beautiful and serene wilderness areas of Japan's North Island. Often compared to Tasmania, the less developed central and east side of Hokkaido waits quietly for you to discover. Visit volcanic hot springs, see frozen waterfalls and take a ride on an Icebreaker ship during this winter adventure. Setting out from grand Sapporo, the tour visits the gorges and waterfalls of Sounkyo. Travel on to the fishing city of Abashiri, on the shores of the Okhotsk Sea, and visit the intriguing museums and fish market. See volcanic landscapes in Shikaribetsu, visit a magical winter festival at Lake Akan, then return to Sapporo where the tour concludes.
